BREAD LOAF SCHOOL OF ENGLISH

Preliminary Announcements

You are registering at what is called the Inn Office. All matters relative to your room and board, mail, and any charges you may incur (apart from the regular bill for tuition, board and room) ought to be referred to this office.

For details regarding the management of the school, please make inquiry at the Director's Office. All matters pertaining to your initial registration and payment of bills, information about courses, lectures, graduate credit, etc., should be referred to this office. Director H.G. Owen and Miss Prucia Lanen are the staff to whom you should bring requests for information about the details of the school. Later you will be informed as to what particular members of the staff are responsible for specific duties.

Procedure as to Registration

(1) Students who have completed registration in advance should obtain registration cards from the Director's office after 1:30 p.m. Students who have not completed registration in advance must personally consult with the Director concerning their choices of courses. Appointments may be made with Miss Lanen.

(2) Registration cards obtained at the Director's office should be presented to Mrs. Powell who will be in the Little Theater after two o'clock. A representative from the College Treasurer's Office will be there at the same time. It is requested that all bills which have not been paid be attended to at this time.

(3) In making your choice of courses, please keep in mind the fact that if you wish to change your status from that of an auditor to that of a student in any course, this change must be made on or before July fourth. A student may change his status from that of a student to that of an auditor before July eighth, but ALL changes in courses must be made through the Director's office.

Mail Schedule

Mail will be ready for distribution at the following hours:

10:30 a.m.
3:30 p.m.

Preliminary Announcements

Outgoing mail must be posted not later than

9:00 a.m.
2:00 p.m.

Meal Hours

Beginning tonight, the regular seating plan will go into effect and, as last year, there will be two seatings. Please consult the chart on the dining room door to ascertain your table assignments and to find out whether you are in the early or late group. The 12:45 and 6:00 meals will be announced by the bugle, while the 1:00 and 6:15 meals will be announced by the class bell.

Daily

Breakfast 7:30 ~ 8:15
Luncheon 12:45 & 1:00
Dinner 6:00 & 6:15

Sunday

Breakfast 8:00 - 9:00
Dinner 1:00
Supper 6:00

Saturday

Breakfast 8:00 - 9:00
Luncheon 1:00
Dinner 6:00

Since most of the waiters and waitresses are students, it is urgently requested that an effort be made on the part of all students to come to meals promptly, especially to breakfast, so that those who are waiting on table may have a chance to reach their classes on time. In the morning, the door will be closed at 8:15, and no students may be served breakfast after that time.

Gratuities

Students are requested not to tip members of the staff and employees of the Inn. Any person connected with the Inn is glad to minister to the comforts of our guests in every possible way.

Bread Loaf Stationery

Bread Loaf Inn stationery may be purchased at the Inn office,-- five sheets and five envelopes for ten cents.

Bookstore

The Bookstore has on hand supplies, textbooks, candy, tennis balls, cigarettes, etc. It is urgently requested that

Preliminary Announcements

Bookstore, cont.

students purchase their textbooks immediately as it is frequently necessary for us to order additional copies. It is impossible this year to allow the students to operate charge accounts with the Bookstore, and we hope that the students will cooperate by not asking for any favors in this direction.

The regular bookstore hours are as follows:

8:00 - 8:30 a.m.
1:15 - 2:00 p.m.
7:00 - 7:15 p.m.

Hotel Laws

The laws of Vermont state require that all hotel guests register their true name in full and their residence in the hotel register. Please be sure that your guests for meals or overnight fulfill this requirement.

Bread Loaf Parking Regulations

A preliminary notice concerning parking has been made in the catalogue. New and stringently enforced state laws prohibit the parking of cars on the side of the highway, and it is requested that students and guests endeavor to keep the road clear in front of the Inn. In years past, lawns have been used for parking, but the school has been making a considerable effort to improve the appearance of the grounds, and we hope that all students will cooperate by keeping cars off the grass. Students and guests living in Birch and Maple cottage may park their cars in the space beyond Maple; students at Brandy Brook, in the space by the side of the cottage. All other students should use the parking space near the barn.

The bellboy on duty in the front office will assist you in parking your car. Keys may be permanently deposited in the Inn office. See that your keys are tagged with the name, number, and make of your car. Leave word at the Inn office when and where you want your car, and it will be delivered. When you return, your car will be parked, on request at the office, and the keys will be retained. Students, of course, are free to park their own cars if they wish. Always park in the same space.

Tops should be put up and windows closed when the car is left in front of the Inn. The car will be parked in the same condition in which it is delivered to the bellboy, and the school does not assume responsibility for any damage.

Bread Loaf Greets You!

The Crumb extends to you its welcome to Bread Loaf. From time to time it will bring you notices concerning the activities of the school. It is customary to deliver each issue at the noon meal, but occasionally it is necessary to issue extra news and notes that would be of interest to both present and past Bread Loafers. Members of the school may leave contributions at the Director's office.

In our preliminary announcement we indicated the duties of the inn office and the Director's office. The staff of the school is composed largely of Middlebury students who desire in every way to minister to the wants of our guests. They do not expect to be tipped, and guests are requested not to offer such remuneration. We hope that Bread Loaf students will understand that our facilities, except in Maple cottage, are not hotel facilities, but are simple dormitory accommodations. Leave suggestions concerning room equipment or repairs for Mr. Henry at the desk. The staff hopes that your stay will be a pleasant one.

The Crumb

Classrooms

For your convenience in locating your classrooms we are making a rough diagram of the Little Theater. "E" indicates "entrance".

To the library

To the Main Inn

Tennis

A season ticket costing two dollars will be issued to all students who wish to play tennis. These tickets can be obtained in the Inn office; they must be obtained before permission to play on the courts will be granted. People desiring a court at a specific time should sign on the schedule appearing on the tennis backstop. Please wear only shoes without heels.

Games

Guests of Bread Loaf will find numerous croquet, clock golf, badminton, ping pong, and archery provided for their enjoyment. We hope that the members of the school will cooperate in keeping the equipment in as good condition as possible, and will much appreciate it if all implements such as darts, ping pong balls, golf clubs, etc., are properly taken care of.

Medical Supplies

Emergency medical supplies may be obtained from the Director's office.

Sunday Papers

All those who desire Sunday papers are requested to leave their names in the Inn office by Saturday evening.

Laundry and Drycleaning

Bullock's laundry of Burlington calls and delivers every Tuesday, Thursday, and Saturday. Their work includes cleaning, laundry work, and pressing for both men and women. Leave clothing at the Main Inn desk with your name and "Bread Loaf" written on a slip of paper. For particulars see Mr. George Lewin.

Motor Supplies

Guests and students may purchase gas and oil at the Bread Loaf Farm House, which is located near the barn. Simply go to the farmhouse and make your wishes known. The Inn possesses two car covers which will be rented.

Cigarette Stubs

Please deposit all cigarette stubs in receptacles provided on the various porches of the Inn and Little Theater.

Fire Protection

Buildings have been equipped with a sprinkler system for protection against fire.

Taxi Service

Taxi service will be available at all times upon demand at the Inn desk.

A flat rate of five dollars will be charged for a round trip to Middlebury. Since the taxi will hold eight persons, it is possible to reduce the cost of a round trip to sixty-three cents per person.

Regular Trips:

The taxi will leave the Inn porch at 9:50 every Sunday for those wishing to attend church services in Middlebury. A sign-up sheet will be posted each week on the bulletin board outside the Bookstore. All names must be in by Saturday night.

Five persons	\$1.00 per person

Special all-day trips to such local points of interest and amusement as Lake Dunmore, the Proctor marble exhibit, and the Orosco frescoes at Dartmouth will be arranged from time to time.

Milk Supply

For the first time at Bread Loaf pasteurized milk will be served in the dining room. Guests are requested to remember that the taste of pasteurized milk differs from that of fresh milk. All milk comes from the college farm and while complete precautions are always taken to insure the cleanliness of the milk, we are serving pasteurized milk because students from cities are accustomed to it.

Resident Nurse

A resident registered nurse, Miss Stella Staruck, will be in attendance during the session. Students wishing to see Miss Staruck and unable to leave their rooms should send a note before 8:30 a.m. to the Inn desk, indicating their name and room number.

It will be greatly appreciated if you will fill out the cards distributed at the evening meal. About twelve cars are needed for the Mt. Philo trip.

Persons having small errands to be done in Middlebury may drop a note or an envelope with money in it in the box in the Director's office marked "Going To Town." I AM SO GLAD TO BE BACK HOME AGAIN

When first her eyes saw Bread Loaf, how she gazed,
For she had been away it seemed for years,
Had walked the city's pavements, strangely dazed
By clamoring traffic, labor's endless fears.
For her the whirl and motion were too much -
Tired of the husks of life that cities give -
Glad to be back and feel once more the touch
Of fresh, moist earth, - to have the chance to live.

So when her eyes saw Bread Loaf, how she smiled
And talked of listening to the morning birds,
Of plucking wild flowers even as a child -
Why wonder that she spoke in quickened words?
With sharp-drawn breath her eager lips moved then,
"I am so glad to be back home again!"

- Frances Bowles -

After boiled steaks the party will ride fifteen miles to another little-known, very beautiful cataract falls near Granville, returning by way of the wooden-bowl factory in that town. The staff hopes to arrange admission to this most interesting little shop where craft work, fostered by tradition, is still alive. This small factory is one of three in America and is the oldest. The wooden bowls may be purchased at reasonable prices.

Car owners and passengers please sign separate sheets on the bulletin. There will be no charge.

Bread Loaf: 16th Century Style

"...the four great Inns...resembled the colleges of Oxford and Cambridge. They required the residence of students within their walls or in subordinate Inns, such as Clement's, Staple's, and Furnivall's, which were attached to them. Their members dined together, summoned to the table by a blast of a horn...Membership was strictly limited to the upper classes."

--Parrott, William Shakespeare: A Handbook
